I Event Overview

1. Conference Summary

◦ **Title:** The 9th International Creative Papers Conference (ICPC 2027)
– Joint Event: **AI(STEAM) Mobility International Forum** *(Free Program)*

◦ **Date:** January 22 (Fri) – January 23 (Sat), 2027

◦ **Venue:** Seoul National University of Education
(96, Seochojungang-ro, Seocho-gu, Seoul, Republic of Korea)

◦ **Hosted by:** Korea University Intellectual Property Association(KUIPA)
World Invention Intellectual Property Associations(WIIPA)

◦ **Organized by:** ICPC Organizing Committee

◦ **Supported by:** Asia LOHAS Foundation / KITECH / Gangneung Yeongdong University

2. Purpose of the Conference

◦ The International Creative Papers Conference (ICPC) is a global academic event for students, researchers, and professionals to present creative and innovative studies. It aims to promote creativity, entrepreneurship, and international collaboration across science, technology, and industry.

◦ All accepted papers are published in the ICPC Proceedings with an official ***ISSN** registration, providing authors with internationally recognized research credentials.

** **ISSN** (International Standard Serial Number): An international identifier used to distinguish serial publications such as academic journals and conference proceedings.*

Ⅲ Venue & Program Information

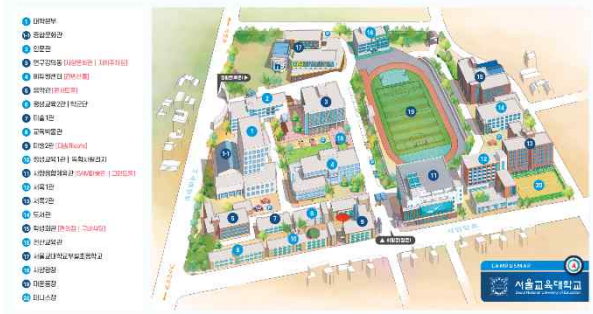

◦ **Venue**: Seoul National University of Education
(96 Seochojungang-ro, Seocho-gu, Seoul, Republic of Korea)

※ The specific building and room will be announced separately.

※ Forum attendance is limited to registered applicants. Certificates of completion will be provided to ICPC participants attending the forum.

※ On-site paper presentations are limited to submissions selected through preliminary screening.

96 Seochojungang-ro, Seocho-gu, Seoul, Korea

Ⅳ Participant Information

1. Eligibility

◦ **Student Division:** Papers related to invention or academic studies (humanities, science, etc.)

◦ **General Division:** Independent research papers on creative or academic topics

※ Open to individuals or teams, including university (graduate) students, advisors, researchers, and inventors both in Korea and abroad.

2. Fields of Submission

◦ Research papers on inventive or patented technologies and advanced ideas

◦ Studies on environment, ESG management, and future intellectual property

◦ Papers in humanities, economics, social sciences, or sports

◦ Advanced academic materials based on previously presented inventions or papers

3. Submission Guidelines

◦ **Deadline:** By December 18 (Fri), 2026, 18:00 (KST)

◦ **How to Apply:** Submit **application form** and **presentation video**

※ File Format: HWP (.hwp) or MS Word (.doc / .docx)

※ Presentation Video: Within 5 minutes, .mp4 format (recommended under 300 MB)

◦ **Submission Email:** Lee37895661@gmail.com

※ Up to 5 participants (including main author, co-authors, and advisors) may be registered per team.

4. Important Notes

◦ Each submission must include an Abstract, a presentation video (within 5 min), and 1–2 photos to be included in the proceedings.

◦ Optional: A full paper (up to 5 pages, A4 size) may be submitted as an appendix.

◦ Participants are responsible for ensuring copyright clearance of all media used (photos, graphics, background music, etc.).

◦ ICPC is a creative research conference; it is not related to SCI or SSCI-indexed journals.

◦ On-site presentations are limited to those selected during the preliminary screening.
